

Table 1 Spatial strategy for growth in Aylesbury Vale

VALP Main Modifications version (October 2019)

Category	Settlement	Completions 2013 - 2018	Commitments as at March 2018	Completions and Commitments 2013-2018	Allocations in this plan	Total development
Strategic settlements	Aylesbury	3,790	9,257	13,047	3,539	16,586
	Buckingham	894	722	1,616	550	2,166
	Haddenham	170	593	763	269	1,032
	Wendover / Halton Camp	117	15	132	1,000	1,132
	Winslow	145	437	582	315	897
	North east Aylesbury Vale	176	2,036	2,212	1,150	3,362
Larger villages	-	477	1,746	2,223	48	2,271
Medium villages	-	273	732	1,005	277	1,282
Smaller villages and other settlements	-	295	322	617	No allocations made at these locations	617
Windfall	-					888
Total	-	6,337	15,863	22,197	5,998	30,233¹

¹ This represents a 5.7% buffer on top of the total housing requirement made up of Aylesbury Vale's objectively assessed need and the unmet need from other authorities (28,600).

Table 1 Spatial strategy for growth in Aylesbury Vale

VALP Further Proposed Modifications version (September 2020) (Updated to 31.03.2020 basedate)

Category	Settlement	Completions 2013 - 2020	Commitments as at March 2020	Completions and Commitments 2013-2020	Allocations in this plan	Total development
