

Dear Mr & Mrs Hedges,

Re: Parking at Moreton Road, Buckingham, MK18 1WG– Letter to all residents

What has happened

It has come to our attention that residents and their visitors from the above development are parking vehicles in a way that is blocking access, it has been noted that residents are double parking or parking irresponsibly. By doing this you are causing an obstruction to any emergency vehicles that need to access the buildings and causing an inconvenience to other residents.

What needs to happen.

We must request that vehicles owners do not block the road or the entrance/exit in and out of the development. If you do not have a parking space, please find alternative parking.

We thank you for your cooperation in this matter.

How can we help you?
