There are a number of inconsistencies in the modified Local Plan regarding proposals for Wendover and post-RAF Halton.

P38, Box S2, para e: "Wendover will accommodate around 1,132 new homes with 1,000 new homes at Halton Camp which is now confirmed to be closing in 2022".

P124, para 4.108: "In terms of Wendover, approximately 1,000 homes will come forward during the Plan period at RAF Halton Camp after its closure in 2022"

P143, Para 4.128: "The Defence Infrastructure Organisation (DIO) has confirmed that RAF Halton is to close finally in 2025" [correct, I believe]

P143, Para 4.129: "As Halton Camp is not due to close until 2022"

P144, Para 4.135: "At least 1,000 homes during the Plan period"

These may appear to be petty editorial comments but the details in question may impact on my immediate local area and your document cannot be considered legally sound if it contains fairly obvious inconsistencies, errors and potential loopholes that developers (or others) could exploit.

If your representation is more than 100 words, please provide a summary under 100 words here:

Please specify the changes you think are needed to be made to the proposed main modification. It will be helpful if you are able to put forward your suggested revised wording of any policy or text.

I had assumed it would be standard council policy to undertake copy editing and proof reading of major documents such as these before release.
