Dear Sir/Madam,

**Re: The Vale of Aylesbury Local Plan Main Modifications Consultation**

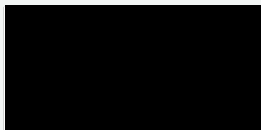

I have pleasure in enclosing a representation on behalf of the Kingsmead Residents Group with regard to your public consultation on the above Main Modifications to the VALP.

As you will see it relates mainly to the Main Modifications 75 and 76 which refer to the new Strategic Allocation at Shenley Park adjacent to Milton Keynes (WHA001). In addition to the enclosed representation I also include two documents which list the large numbers of residents and local politicians who support this representation. These highlight the strength and breadth of community and public objection to this very late change to the Plan.

I trust that all of this documentation will receive the full consideration by Mr P Clark, the Inspector appointed by the Secretary of State and your Council before any further decision on the Plan is made.

Should you require any more information please do not hesitate to contact me.

Sincerely,  
faithfully,
