Shenley Park (SP) was not included in the 2017 proposed submission version of VALP, so whatdon PC and residents have ^{been} completely denied the opportunity to properly debate and cross-examine AVDC's decision to choose SP over the two competing sites. It is unfair and unjust not to allow detailed comparison testing between the three competing sites.

Government requires that adjoining authorities have a duty to co-operate when considering significant strategic cross-boundary housing allocations. AVDC have paid lip-service to this, but have not addressed this thro' effective discussion or joint working.

It is illogical and completely unnecessary to expand the MK City boundary into Shenley Park. Why cross a strong defensible bridleway boundary such as the heavily wooded/hedged North Bucks way into beautiful and much valued open unspoilt countryside, when there are two more appropriate, and easier to develop, alternative sites available at Salden Chase and particularly Eaton Keys.

If your representation is more than 100 words, please provide a summary under 100 words here:
